

Rochester Association of Licensed Professionals and Rochester School District and Rochester Federation of Teachers, AFT #3607, AFT-NH, AFL-CIO, Decision No. 2022-009
(Case No. E-0034-3)

Background: This was a companion case to the challenge certification petition, Case No. E-0264-1. See above. The Association (RALP) filed a modification petition pursuant to Admin. R. Pub 302.05 seeking to remove certain positions from a larger bargaining unit represented by the Rochester Federation of Teachers, AFT #3607, AFT-NH, AFL-CIO (RFT) in order to form a separate bargaining unit. The RFT and the District objected to the modification petition on several grounds including timeliness of the petition.

Decision: The RALP's challenge petition was dismissed on the ground that it was untimely under Admin. R. Pub 303.01 for the reasons set forth in PELRB Decision No. 2022-006. As the same deadlines applied to the modification petition, the petition was likewise untimely.
