Proposed code language:

1109.2.4 Diaper changing tables. In Groups A, B, E, I-4 child day care, M and R-1 hotels and motels, on each floor level containing a public toilet room, both male and female occupants shall have access to at least one diaper changing table complying with ICC A117.1. Each room shall have signage indicating the presence of the diaper changing table. Toilet rooms not providing a diaper changing table shall have signage providing directions to the nearest diaper changing table location. Central directories, if provided, shall indicate the location(s) of the diaper changing tables. Signs shall meet the requirements of ICC A117.1.

Exception: Groups B and M less than 1,000 net square feet (93 m²) in size.

Reason / Justification:

This is offered in response to recent legislation HB 520. The occupancy groups are chosen from the definition of public accommodation in the ADA. ICC A117.1 (Section 603.5) provides the technical criteria. The exception is to relieve small businesses from the requirement and matches the exception for accessible entrances in another NH amendment.

Financial Analysis/Fiscal Impact of proposed amendment:

This will add to the costs of construction.
