**Members Absent:**

**Also Present:**

Tim Dupont  
Erica Webb, Administrative Secretary for the BCRB  
Phil Sherman – BCRB Chair

The Meeting was called to order at 10:00. The committee reviewed the IMC and IPC reports prepared by Admin. Supervisor, Erica Webb. The committee addressed any sections without a cost analysis or those which had needed more information. Chair Evans asked for a committee vote to accept both reports. The committee voted unanimously to accept both reports and submit to the full BCRB for review. There was a discussion about whether there needed to be an amendment for water temperature maximums in the state, with the intent to minimize scalding, as to anyone present's knowledge there was no legal limitation and the committee felt it might be a reasonable addition to the building codes. The committee determined to discuss with the full BCRB. The meeting was adjourned at 11:42am. No additional meetings are scheduled at this time.
