The meeting was called to order at 11:10am. The committee reviewed the final three amendments; EX 21-07-22, EX 21-08-22, and EX 21-09-22. The committee discussed whether or not the amendment EX-21-08-22 related to changing tables was redundant as it is an amendment which refers to another amendment. The committee decided to table the conversation and do a little more research with the authors to determine the original intention and justification for the original amendment. The meeting concluded at 12:05 and was adjourned. The Chairman, Jeff Trexler, will complete the committee's report. No other committee meetings are scheduled at this time.
