The meeting was called to order at 2:20pm. The committee reviewed the report put together by Med Kopczynski. Verbiage was discussed and some minor changes were made. The committee reviewed the motions that Med suggested. The committee discussed the overall cost of energy related expenses as they relate to new construction, rental construction, as well as the pay back building owners could expect to see from the additional added costs to make new construction or updating more energy efficient.

There is no additional meeting scheduled at this time.
