The meeting was called to order at 10:00am by Chair Tedd Evans. This was the first meeting for the Building Code Review Board Subcommittee tasked with reviewing the 2021 International Mechanical Code, the 2021 International Plumbing Code, and the 2021 International Swimming Pool and Spa Code.

Chairman Tedd Evans began by reviewing any definition changes in the Plumbing Code, followed by the Mechanical Code, and finally the Swimming Pool and Spa Code.

After this review the committee continued with the Swimming Pool and Spa Code before moving back to the Plumbing Code in reviewing any significant changes that were identified in the margins of the published code book.

The meeting concluded at 12:00pm
