## NEW IFTA ACCOUNT REQUIREMENTS

Any person based in a member jurisdiction operating an IFTA qualified motor vehicle(s) in two or more member jurisdictions is required to license under the IFTA Agreement.

An IFTA qualified motor vehicle is a motor vehicle used, designed, or maintained for the transportation of persons or property and:

- Having two axles and a gross vehicle weight or registered gross vehicle weight exceeding 26,000 pounds or 11,797 kilograms; or
- Having three or more axles regardless of weight; or
- Is used in combination, when the weight of such combination exceeds 26,000 pounds or 11,797 kilograms gross vehicle or registered gross vehicle weight.

Note: IFTA Qualified Motor Vehicle does not include recreational vehicles used exclusively for recreational purposes.

If your company has IFTA qualified vehicles, please contact the Road Toll Bureau at the number above to obtain an IFTA licensing packet.
