Subject: STATUTORY CHANGE REQUIRING LICENSED MOTOR FUEL AND AVIATION FUEL
DISTRIBUTORS USE LICENSED MOTOR FUEL AND PETROLEUM PRODUCTS
TRANSPORTERS

Dear Licensee:

Senate Bill 84 amended statute RSA 260:42, effective 8/23/2013, to require New Hampshire licensed Motor Fuel and Aviation Fuel Distributors to only use New Hampshire licensed Motor Fuel and Petroleum Products Transporters. The pertinent new text of RSA 260:42 is listed below:

IX.(a) All distributors licensed under RSA 260:36 who require transport of motor fuel or products subject to the fees stipulated in RSA 146-A shall use a licensed motor fuel and petroleum products transporter. The department shall make available to each distributor, monthly, a list of current licenses issued under this section.

(b) Any distributor who fails to use a motor fuel and petroleum products transporter licensed in accordance with this section shall be assessed a penalty of \$500 or \$10 per delivery, whichever is greater. Such penalty shall immediately accrue and shall bear interest as specified in RSA 260:40-a.

The Road Toll Bureau maintains a list of licensed Motor Fuel and Petroleum Products Transporters on its web site: <http://www.nh.gov/safety/divisions/administration/roadtoll/transporters.html>. Please ensure that any motor fuel or products are transported by a company on that list.

If you have any questions, please feel free to contact this office at (603) 271-2311.

Sincerely,
