NH Law requires that in addition to a Driver Education program, an applicant under the age of 18 must complete a *minimum* of **40 hours** of practice driving under the supervision of a licensed parent, guardian, or a licensed adult over the age of 25, and that *at least 10 hours of the supervised driving time shall be completed during the period from ½ hour after sunset to ½ before sunrise.*

We encourage practice driving as much as possible before applying for a driver license, which may include the time prior to taking a driver education course, as long as the driver is at least 15 years and 6 months of age, and is accompanied by a licensed driver who is at least 25 years old, pursuant to RSA 263:25.

You may utilize the log below and on the reverse side to keep track of the driving hours.
