

STATE FIRE MARSHAL'S AWARD OF EXCELLENCE in FIRE & LIFE SAFETY

Has a student within your community used their education and knowledge to help prevent a possible fire and life incident by seeking out the appropriate assistance to insure that the situation is safer? Has a student within your community responded appropriately during an emergency, by demonstrating key fire and life safety behaviors; dialing 911 to report an incident and calmly providing information to a dispatcher; or performed a lifesaving medical maneuver? The ***State Fire Marshal's Award of Excellence in Fire & Life Safety*** program recognizes New Hampshire students in grades prekindergarten through high school that do an outstanding act in the area of Fire and Life Safety that benefits the lives and wellbeing of those around them. We want to recognize these home town heroes!
