## NEW HAMPSHIRE PASSENGER TRAMWAY SAFETY EMERGENCY MEETING MINUTES – 12/9/2021 Attitash Mountain Resort, Bartlett, NH

### Announcement by the Chair:

Chairman Mark Petrozzi opened the meeting, introduced himself and welcomed the group. He advised the board members that this is an emergency meeting in accordance with and in compliance to rules governing circumstances justifying an emergency – this meeting is called due to its urgency – where Attitash Mountain Ski Area is scheduled to open on 12/10/2021; also, three members are not able to attend in person. Attitash is requesting approval from the Board to make a needed repair to their summit triple lift.

Members attended this meeting both virtually and in person.

Invited members included (*absentees noted in italics*):

- **Mark Petrozzi, Chair**
- **Stanley Judge**
- **Kris Blomback**
- **Steve Howell**

**Other Attendees:** Members from the Department of Safety – Catherine Goff, Briggs Lockwood and Attitash Senior Mountain Operations Manager, Deirdre Riley.

**Order of Business:** Called to order at 11:00am. A roll call took place and a quorum was determined.

**Board Member Packets Included:** Agenda for today's meeting, and the application for Attitash Mountain Resort.

### New Business:

Application for Attitash Mountain Resort - construction of a new drive for TRM 134 Summit Triple.

Application presented by Deirdre Riley for this one for one drive replacement.

Discussion by the Board included the arch flash that caused the failure to the drive and an upcoming load test once the work has been completed.

**On a Motion:** Kris Blomback motioned that the Board accept and approve the Attitash Mountain Resort application to replace the existing 400 HP electric drive for the TRM 134 also known as the Attatash Mountain Triple with a new identical electric drive ABB model DCS 800 which was provided by Vail Associates and is being installed by Attitash Staff. Steve Howell 2nd the motion. All in favor. Motion carried.

**On a Motion:** Kris Blomback motioned to adjourn the meeting. Steve Howell 2nd the motion. All in favor. Motion carried.

**Meeting Adjourned** 11:19am
