**CURRICULUM STATUS REPORT
March 7, 2013**

NFPA 1001 Fire Fighter I&II

A visiting committee is in the processes currently for a Fall of 2013 start.

NFPA 1002 Driver Operator:**

NFPA 1030 Series:**

NFPA 1031, Standard for Professional Qualifications for Fire Inspectors and Plan Examiners.
Courses will be scheduled for the winter/spring semesters.

The Inspector II program will go back to visiting committee for review, possible thoughts of a stand alone and a combination Inspector I & II as well.

NFPA 1033, Standard for Fire Investigator.

A visiting committee is underway and the Jones and Bartlett curriculum has all ready been chosen, this committee is looking for an approval in the spring.

NFPA 1021 Fire Officer:**

NFPA 1041 Fire Instructor:**

NFPA 1006 Rescue programs:

A number of rope, confined space and trench rescue programs were offered this spring and summer. As well, we are bringing back Rescue Systems I & II because of the federal grant that has been released from the 2007, 2008 & 2009 monies. Both programs are going very well. The Swift Water rescue classes that have been scheduled around the state have very good reviews. This program will now be scheduled on a regular basis. The rescue skills modules in FFII are offered around the state to aid in satisfying the pre-

requisite requirement. All of these programs have been going well and large numbers of people are being trained. This program of the grant funds have now come to an end.

NFPA 472 Hazardous Materials:

We have scheduled a number of Haz-Mat programs such as Decontamination, Technician and Technician refresher programs using the grant monies. We have partnered with the IAFF to assist with the refresher classes for instruction and program development.

Rapid Intervention Program:

An Advanced RIT program is in visiting committee status.
