

Approved 6/6/2019

May 2, 2019 Minutes FST Rules Sub-Committee Meeting at Fire Standards and Training

The FST Rules Sub-Committee met following the full Commission meeting on May 2, 2019, at approximately 11:15 am. Present were Nancy Smith, Robert Buxton, Jeremy Thibeault and Jeffery Phillips and Nick Mercuri.

It was determined that Jeremy Thibeault should be considered sub-committee member for this and future meetings.

The Proposed Hazmat rules were reviewed. Nick clarified that the expiration is October 25, 2019. Staff and the Sub-committee will review the rules before the June meeting to make a recommendation that will meet the objective of not requiring all currently trained fire personnel to be re-trained.

The status of the surveys was discussed. Commissioner Plummer had suggested a second push during the full FST meeting. Staff was asked to do a second push out of the survey but with a cut-off date of no more than 2 weeks, so that a summary of results can be discussed by the sub-committee at a sub-committee meeting after the next full FST meeting in June. Jeff will do the summary.

Respectfully, Nancy Smith, FST Rules sub-committee chair
