Other information:

MINIMUM QUALIFICATIONS:

STATE FIRE FIGHTER TRAINEE-

Education: Graduation from high school, G.E.D. or its equivalent.

Experience: No experience required.

License/Certification: Must possess and maintain a valid driver's license and telephone number to remain employed. In addition, must obtain a valid US Air Force (USAF) license within six months of employment and maintain such licensure as a condition of employment. Must possess and maintain certifications in CPR and National Registry Emergency Medical Technician-Basic (NREMT-B). Must also obtain and maintain a current NH Provider License as a condition of continuing employment. Must possess International Fire Service Accreditation Congress (IFSAC)/National Pro-board Certifications as Firefighter II and Hazmat Operations. Must obtain certifications outlined in the Master Cooperative Agreement (MCA), Department of Defense (DOD) and Air Force certification program, current and as amended, within two (2) years.

SPECIAL REQUIREMENTS:

1. Must be at least eighteen (18) years of age by date of application.
2. Prior to application for employment, must pass a Candidate Physical Ability Test (CPAT) administered by a licensed agency. The CPAT is designed to measure ability to perform physically demanding tasks encountered in job performance. In addition to this initial examination, must remain

in compliance with all medical requirements of the National Fire Protection Association (NFPA) 1500 program.

3. Must successfully participate in a structured interview measuring possession of the knowledge, skills, and abilities required by this class specification.
4. Must be eligible for and maintain valid National Agency Check with Inquiry (NACI). Must be able to satisfactorily undergo a state police criminal records check.
5. Must satisfactorily complete specified in-service training programs.
6. Must maintain appearance appropriate to public contact duties involved in fire fighting work. Must possess the ability to wear protective clothing and life support equipment, climb ladders, move through smoke filled facilities and aircraft wearing self-contained breathing apparatus, and perform other job related duties requiring physical exertion. Must participate in daily physical fitness training when on duty.
7. The probationary period for State Fire Fighter Trainee is one year of satisfactory work performance.
8. Must comply with all requirements outlined in the Master Cooperative Agreement (MCA), current and as amended.

STATE FIRE FIGHTER I-

Education: Graduation from high school, G.E.D. or its equivalent.

Experience: One year of experience in Aircraft Rescue Fire Fighting (ARFF) is required.

8. Must comply with all requirements outlined in the Master Cooperative Agreement (MCA), current and as amended.

Employees may be required to pay an agency/union fee.

Prior to applying, please be sure that you have completed your profile including your complete employment history, education history, credentials and contact information. Please bear in mind that your education and experience must be relevant to the specific position for which you are submitting an application. You are encouraged to provide a copy of your current resume, but resumes will not be accepted in place of a fully completed application for employment.

In order to be considered eligible for employment at the trainee level, applicant must attach a current copy of your state driver's license, and National Registry Emergency Technician Basic (NREMT-B) and CPR card, Candidate Physical Ability Test (CPAT) certificate and International Fire Service Accreditation Congress (IFSAC) / National Proboard Certifications as Fire Fighter II and Hazmat Awareness/Operations to this application. Additionally, must also include IFSAC / National Proboard Airport Fire Fighter, Driver/Operator Pumper and Airport Firefighter (ARFF) certifications to qualify at the FFI level.

You are encouraged to use the on-line recruitment tool, however; the official application for employment is acceptable, and can be located at <http://admin.state.nh.us/hr/employment.html>. The completed application with attachments can be emailed to linda.m.goss6.nfg@mail.mil or mailed to the Adjutant General's Department, Attn: Linda Goss, 4 Pembroke Road Concord, NH 03301-5652. If using the on-line recruitment tool, the required licenses/certifications must be attached.
