EMS PROVIDER APPLICATION – Page 3

Section A3: NOTICE TO ALL APPLICANTS

**Authority: NH RSA 153-A:11 & RSA 153-A:10-a (Effective January 1, 2017)
& Administrative Rules Saf-C 5902, 5903**

1. All personnel providing patient care as a NH EMS Provider must be currently certified at the appropriate training level, affiliated with a NH-licensed EMS Unit, and licensed with the NH Bureau of EMS as a Provider.
2. **In addition to submitting the “NH EMS NEW or LAPSED EMS Provider License Application”** to the NH Bureau of EMS, **all new applicants or lapsed/relicensing provider applicants** shall submit a **notarized Criminal History Record Information (CHRI)** authorization release form. The applicant shall also submit with the release form a complete set of fingerprints or LiveScan receipt, and a check for \$48.25 made payable to “State of NH-CRU”.
3. Regardless of the number of NH EMS Unit affiliations, only one Provider license is required. Personnel affiliated with more than one NH EMS Unit will indicate on the Provider application form the name of the unit considered to be the “primary” affiliation and then list other affiliations, as appropriate.
4. For all levels of Nationally Registered EMS Providers, NH EMS Provider licensure is valid for up to two (2) years. NH licensure for Nationally Registered EMT, AEMT or Paramedic **expires on April 30th**. Licensure for NR EMR expires on **October 31st**.
5. Non-nationally registered EMT’s (NHEMTs grandfathered in the system) are required to relicense annually by December 31st. Any of these individuals whose certification lapses will be required to become Nationally Registered in order to relicense in the NH EMS system.
6. Recertification at the appropriate level and re-licensure with the NH Bureau of EMS prior to the expiration date of the license is an individual Provider’s responsibility.
Important Note: A Provider without a current EMS Provider’s license cannot legally practice patient care until a valid provider license is obtained. Pursuant to RSA 153-A:21 any person implying they are a licensed EMS Provider or provides EMS patient care without a valid license shall be guilty of a misdemeanor for the first offense and a class B felony for subsequent offenses.
7. For purposes of record-keeping, all licensed providers are encouraged to submit legible photocopies of their current Provider Licenses and all EMS certifications to each affiliated EMS Unit.

**Mail completed NH EMS NEW or LAPSED EMS Provider License Application ** with legible photocopies
AND all documents required for CHRI (see #2 above) to:**

Privacy Act Statement

This privacy act statement is located on the back of the [FD-258 fingerprint card](#).

Authority: The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose: Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses: During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

If you would like to Challenge your criminal record:

Saf-C 5703.12 Procedure for Correcting a CHRI (a) Persons or their attorneys desiring access to their CHRI for the purpose of challenge or correction shall appear at the central repository. (b) A copy shall be provided to a person if after review he/she indicates he/she needs the copy to pursue the challenge. (c) Any person making a challenge shall identify that portion of his/her CHRI which he/she believes to be inaccurate or incorrect, and shall also give a correct version of his/her record with an explanation of the reason that he/she believes his/her version to be correct. (d) The director shall take the following actions within 30 days of receipt of challenge: (1) Review the records and contact the law enforcement agency or court which submitted the record to compare the information to determine whether the challenge is valid; (2) If the challenge is valid, which means there is a discrepancy between the information submitted and the information maintained by the law enforcement agency or court, the record shall be corrected and the person and appropriate CJAs shall be notified; and (3) If the challenge is invalid, the person shall be informed and advised of the right to appeal pursuant to RSA 541. (e) When a record has been corrected, the division shall notify all non-criminal justice agencies, to whom the data has been disseminated in the last year, of the correction. (f) The person shall be entitled to review the information that records the facts, dates, and results of each formal stage of the criminal justice process through which he passes, to ensure that all such steps are completely and accurately recorded.

Declaración de la Ley de Privacidad

Esta declaración de la ley de privacidad se encuentra al dorso del [FD-258 tarjeta de huellas digitales](#).

Autoridad: La adquisición, preservación, e intercambio de huellas digitales e información relevante por el FBI es autorizada en general bajo la 28 U.S.C. 534. Dependiendo de la naturaleza de su solicitud, la autoridad incluye estatutos federales, estatutos estatales de acuerdo con la Pub. L. 92-544, Órdenes Ejecutivas Presidenciales, y reglamentos federales. El proveer sus huellas digitales e información relevante es voluntario; sin embargo, la falta de hacerlo podría afectar la terminación o aprobación de su solicitud.

Propósito Principal: Ciertas determinaciones, tal como empleo, licencias, y autorizaciones de seguridad, podrían depender de las investigaciones de antecedentes basados en huellas digitales. Se les podría proveer sus huellas digitales e información relevante/ biométrica a la agencia empleadora, investigadora, o responsable de alguna manera, y/o al FBI con el propósito de comparar sus huellas digitales con otras huellas digitales encontradas en el sistema Next Generation Identification (NGI) del FBI, o su sistema sucesor (incluyendo los depósitos de huellas digitales latentes, criminales, y civiles) u otros registros disponibles de la agencia empleadora, investigadora, o responsable de alguna manera. El FBI podría retener sus huellas digitales e información relevante/biométrica en el NGI después de terminar esta solicitud y, mientras las mantengan, sus huellas digitales podrían continuar siendo comparadas con otras huellas digitales presentadas a o mantenidas por el NGI.

Usos Rutinarios: Durante el procesamiento de esta solicitud y mientras que sus huellas digitales e información relevante/biométrica permanezcan en el NGI, se podría divulgar su información de acuerdo a su consentimiento, y se podría divulgar sin su consentimiento de acuerdo a lo permitido por la Ley de Privacidad de 1974 y todos los Usos Rutinarios aplicables según puedan ser publicados en el Registro Federal, incluyendo los Usos Rutinarios para el sistema NGI y los Usos Rutinarios Generales del FBI. Los usos rutinarios incluyen, pero no se limitan a divulgación a: agencias empleadoras gubernamentales y no gubernamentales autorizadas responsables por emplear, contratar, licenciar, autorizaciones de seguridad, y otras determinaciones de aptitud; agencias de la ley locales, estatales, tribales, o federales; agencias de justicia penal; y agencias responsables por la seguridad nacional o seguridad pública.
