RE: COVID-19 Emergency Protocols Approval

Based on the approval, by unanimous vote of both the New Hampshire Medical and Trauma Services Coordinating Board and NH Medical Control Board, of changes to Saf-C 7402.01 New Hampshire Patient Care Protocols Version 7.1 to reflect the incorporation of the following authorization,

In the event of a declared State of Emergency, Public Health or Public Safety Incident; the commissioner, after consultation with the state EMS medical director, may approve emergency protocols to deal with short term isolated instances.

After consultation with the State EMS Medical Director I approve of the DISCONTINUATION of New Hampshire Patient Care Protocol titled, **Emergency Protocol - COVID-19 Destination Determination v.2**, for official use by all licensed New Hampshire emergency medical services personnel providing care for the duration declared Public Health Incident.
