## IMPORTANT INFORMATION ABOUT ONLINE NREMT RECERTIFICATION FOR NH PROVIDERS

NH EMS Community:

The Bureau of EMS has been notified of some challenges when using the NREMT online recertification process. An option during the recertification is to check whether or not the applicant has completed the transition program. This is confusing for our providers as NH has transition programs that are required for licensing. The transition program that the NREMT is asking about is what NH has referred to as the “conversion program” which is the program to go from current certification to the new levels which will be rolled-out after April 2012.

When using the NREMT online recertification process please answer **DO NOT CHECK** the transition box. A screen shot of a recertification “dashboard” is included below, it is checked incorrectly. Please make sure that the Transition box is not checked. Answering otherwise may result in your application being held by NREMT for an extended time or potentially even rejected. We are continuing to work with NREMT and have been contacting providers who we know have been held up or rejected by NREMT.

Thank you for your assistance. Happy Recertification!

**Training & Education Status**

Ready to continue the training and education?

**MANAGE EDUCATION**

**CURRENT CERTIFICATION EXPIRATION**  
Your certification will expire in 73 days

**REFRESHER TRAINING**  
24 of 24 hours

**EMT RELATED CONTINUING EDUCATION**  
108.5 of 48 hours

CPR  Complete

Transition  Complete

**DO NOT CHECK AS COMPLETE**

Should you have any questions please contact a member of the Education Section.
