Fire & Emergency Services Instructor I Course Materials

Thank you for deciding to become a part of the Fire and Emergency Services Instructional community.

This program is an intensive five week higher---education hybrid course requiring frequent and reliable internet access to complete the requisite online content. To successfully complete this program, students should anticipate eight to twelve hours of additional reading, preparatory work and homework outside of the regularly scheduled class time each week.

Attendance at ALL classes and completion of all online work is required. If you must miss a class within this course you should reconsider your attendance before the first day of class. The dress code of the program is formal business attire, since first impressions are a large part of teaching others.

A NHoodle account is required to successfully complete this course, please update your account <https://nhoodle.nh.gov/ola/>. In addition, please ensure your name is as it appears on your application and the email address in NHoodle is valid, as course correspondences will come thru the NHoodle system. You should receive your first e-mail from the course coordinator approximately two weeks prior to the start of your course.

Please bring your willingness to learn and your commitment to self---improvement.

Should you have any questions please contact the Course Coordinator.
