

NH DEPARTMENT OF SAFETY,

Homeland Security & Emergency Management in conjunction with

Texas A&M Engineering Extension Service announces...

**MGT-440**

**Enhanced Sports &  
Special Events Management  
UNH Wildcat Stadium**

145 Main Street  
Durham NH 03824

**Monday-Thursday  
July 17-20, 2017  
8:00am-4:00pm**

**COURSE DESCRIPTION:** The Enhanced Sports and Special Events Incident Management course is a scenario-based practicum of three primary areas within the field of sports and special events management: a) incident management, b) crowd and evacuation management; and c) crisis information management. There are three rigorous, simulation-supported, scenario-based emergency response activities designed to hone both individual and team building decision-making and incident management skills in the context of sports and special events operations.

**COURSE OBJECTIVES:** Identify and discuss the key concepts and process needed to plan and prepare for smooth, coordinated operations at a sporting special event, including risk awareness, effective resource management, and considerations, evaluate how critical areas of managing an all-hazard, high consequence response in a sports or special event context are applied in practice, evaluate and manage the response to a simulated large scale, all-hazards incident that involves a sports or special event from a policy, Emergency operations Center, and/or incident command post perspective.

**TARGET AUDIENCE:** The course is intended to prepare emergency responders as well as event management personnel, concessionaries, athletic department personnel, and elected and chief executives who would be involved in the preparation for and response to a large-scale incident during sporting or special events. Emergency Management, EMS, Fire, Law Enforcement, Fire Service, Public Health, Public Safety Communications, Public Works, Security and Safety, Governmental Administrative
