Please describe the mooring anchors, including the material used and the weight: _____

Cement Block - poured approx 500 lbs

stainless steel chains

THE FOLLOWING DOCUMENTATION MUST ACCOMPANY YOUR APPLICATION:

NOTE: If the documentation requested does not apply please indicate so.

1. Copy of the recorded deed or lease to the shore front property.
2. A listing of all members, including addresses.
3. A copy of all rules of the applicant pertaining to waterfront use. Include rules pertaining to docks, beaches and swim rafts.
4. A copy of all by-laws of the applicant pertaining to waterfront use. Include by-laws pertaining to docks, beaches and swim rafts.
5. Five copies of a scaled map on 11" x 17" paper of the proposed mooring field. See the attached sample map for the required specifications and information.
6. A copy of the certificate of insurance for comprehensive general liability insurance against all claims of bodily injury, death, or property damage resulting from the maintenance, management, or operation of a mooring field and the amounts of coverage. If members are insured individually please submit copies of each individual's certificate of insurance.
7. A copy of the current boat registration for all boats used at the property. This includes the boats kept at the dock.
8. A statement that no other viable alternative exists for securing the boats. (If docks exist which are under the applicant's control, the applicant must show that they are not sufficient for the user's current need or there are more boats than dock slips available. The applicant should respond to the present need for moorings. The number of moorings applied for will not exceed the number of boats now in possession within the applicant's group. Unless there are extenuating circumstances, permits will not be issued for small boats which can be easily removed from the water such as sunfish, jetskies, pwcs, canoes, etc.)
9. A statement explaining what circumstances exist that would warrant the moorings to be located more than 150 feet from the shore.
10. Land and water directions to the shore front property.
11. Signed, certified returned receipts from each abutter.

I, the applicant, certify that the petitioner shall indemnify and hold harmless the state, its officers and employees from all claims, liabilities or penalties resulting from the acts or omissions of the petitioner in maintaining, managing or operating the mooring field:

Authorized Signature

I, the applicant, certify that all abutters to the shore front property have been notified of this application by certified mail, (based on municipal tax data) return receipt requested, and have been provided copies of the application and grid map.

NOTE: Abutters: The record owner of land immediately adjacent to, and/or of any portion of land that is located within 300 feet of, the boundaries of the proposed mooring field, including properties adjacent to the water within 300 linear feet, such as in the case of coves.

Authorized Signature

The applicant hereby gives permission for the director or his agents to enter the property for the purpose of performing a field investigation to review this application:

Authorized Signature

NOTE: This application may require a public hearing. The applicant and abutters will be notified as to the date, place and time of the hearing. The Department of Safety, Division of State Police will submit a recommendation to the Governor and Council who will approve or deny the application. The applicant and abutters will be notified in writing of the recommendation prior to the scheduled Governor and Council meeting.

Do not send any fee with this application. If approved, by Governor and Council, notification will be sent requesting the decal fee. Your annual mooring decal(s) will be forwarded to you upon receipt of payment of the current decal fee. Decals must be renewed annually and must be attached to each mooring above the waterline prior to using the moorings. **Perimeter lighting, if required, must be installed prior to use.**

I hereby certify that all statements on this application and all documentation supplied with this application are true. Supplying false information on this application will result in revocation of any permit issued and is punishable by imprisonment. This application is signed under penalty of unsworn falsification pursuant to RSA 641:3.

Authorized Signature:  Date: 08-06-2021

Gilford, NH 03249

Hi Mary,

I am writing to inform you that I am the President of Meredith Acres Association on Lake Winnisquam and I have granted permission and authority for Kevin O'Hearn to lead the project and respond to all inquiries as it relates to our application to expand our mooring field.

Please let me know if there is anything else you need.

Kind regards,

A handwritten signature in black ink, appearing to read 'John Raymond', with a long horizontal stroke extending to the right.
