NH Homeland Security & Emergency Management

Emergency Management Academy

EM Academy Mission

Emergency Management protects communities by coordinating and integrating activities necessary to mitigate against, prepare for, respond to, and recover from threatened or actual natural disasters, acts of terrorism, or other man-made disasters.

The goal of the EM Academy is to provide the basic tools to build, sustain, and improve these same capabilities within your agency, department, organization or community.

Courses are offered in a variety of formats, including:

Online: (i.e. FEMA Independent Study)
Classroom (taught by subject matter experts)
