

The Emergency Management Academy Mission

Emergency Management protects communities by coordinating and integrating activities necessary to mitigate against, prepare for, respond to and recover from threatened or actual natural disasters, acts of terrorism and or other manmade disasters.

The Emergency Management Academy Goal

The goal of the Emergency Management Academy is to provide the basic tools to build, sustain and improve these same capabilities within your agency, department, organization or community.

Course Format

The Emergency Management Academy offers courses in a variety of formats including online, classroom, hands on experience and seminars.
