NEWS RELEASE

NH DEPARTMENT OF SAFETY MONITORING ACTIVE SHOOTER SCHOOL THREATS

CONCORD, N.H. – The Department of Safety is aware of multiple calls reporting active shooter threats at schools throughout the state. Multiple state agencies are assisting local law enforcement agencies that are responding to those calls and with the investigation into those calls. The New Hampshire Information Analysis Center is heavily involved in coordinating these investigations.

Other jurisdictions across the country have reported receiving hoax calls.

At this time, these reports are believed to be a hoax. However, all threats will be taken seriously until such time as their validity is determined. Everyone is encouraged to report any suspicious activity to their local law enforcement agency.
