PRESS RELEASE

PHILLIPS EXETER ACADEMY DRILL LEADS TO FALSE REPORTS ON SOCIAL MEDIA

CONCORD, N.H. – New Hampshire Homeland Security and Emergency Management has confirmed with NextEra Energy that social media reports stating that sirens connected to Seabrook Station had been activated on Friday, July 15, 2022, are false.

Phillips Exeter Academy in Exeter confirmed that it is broadcasting messages over a loud speaker as part of a planned drill at the school. Those are the messages that people in the area have reported hearing.
