Waiver of IRP and IFTA requirements for New Hampshire Declaration of Emergency Notice

Due to the severe impact of Hurricane Sandy on the State of New Hampshire the Commissioner of Safety has declared a regional emergency pertaining to the loss of services including deliveries of food, fuel and foodstuffs, and utility crews working to restore services

In conjunction with the emergency declaration effective October 29, 2012, New Hampshire will authorize a temporary waiver of IRP registration and IFTA requirements for the purpose of ensuring that essential services and emergency relief supplies reach the disaster areas in a timely manner. This pertains to only shippers and carriers of essential emergency relief supplies or those providing of restoration of utilities to severe weather impacted areas within New Hampshire. This waiver will expire at midnight on November 2, 2012, unless extended.
