INEXPEDIENT TO LEGISLATE. Rep. John Hunt for Commerce and Consumer Affairs. The bill as introduced attempted to limit the enforcement authority of liquor investigators to licensed businesses where liquor is lawfully sold, stored, distributed or manufactured. Since some enforcement may be necessary at an unlicensed establishment and may also be in support of other law enforcement, the committee voted for Inexpedient to Legislate. However, during the work sessions, the issue of "mission creep" came up, and whether the Division of Enforcement and Licensing was going beyond its' purpose. As a result, the division has agreed to report all enforcement activities on non-licensed premises on a quarterly basis. Vote 13-1.
