

New Hampshire College Tuition Savings Plan Advisory Commission
Proposed 2017 Meeting Dates

Prior to 2014, the UNIQUE Advisory Commission meeting dates were held on the 4th to 6th Monday following the end of each quarter. Due to the timing of performance and industry data provided to Fidelity by Financial Research Corporation (FRC), as well as the additional reporting for Open Architecture portfolios, beginning in 2014, the Commission agreed that the meetings would generally occur on the 8th Monday following the end of each quarter, depending on the holiday schedule for the year. Accordingly, the following scheduled meeting dates are proposed, with a start time of 10:00 a.m.

Monday March 6, 2017

Monday May 15, 2017

Monday August 21, 2017

December 4, 2017

NOTE: The February/March and August meetings will be preceded by an Investment Committee meeting which will begin at 9:00 a.m. All Advisory Commission members are invited to attend Investment Committee meetings.
