

Agenda
New Hampshire Water Sustainability Commission
Public Engagement Working Group

February 14, 2012 – 1:00pm
New Hampshire Higher Education Assistance Foundation,
4 Barrell Court, Concord

1. Quick review of previous meeting notes from 1/17 and 1/30 for any changes; these are available on the website at:
<http://www.nh.gov/watersustainability/calendar/index.htm>
2. Outreach Fundraising Updates
3. Planning for statewide public engagement sessions: framing questions and sustainability; how to maximize the opportunity to develop a constituency for water.
4. Linking the public engagement piece with implementation of a statewide water sustainability plan: considering the question “What do we have to do in the next 25 years concerning water that if we don’t will have lasting consequences?”
5. Review latest version of outreach list for sectors that are missing so we can raise this with the Commission.
6. Next meeting date
