

Agenda
New Hampshire Water Sustainability Commission
Public Engagement Working Group

July 26, 2012
1:00 to 3:00

1. Review participant notes from 7/9 public session and finalize report.
2. Review written public comments and discuss the process for inclusion in the Commission's final report.
3. Determine if future Public Engagement meetings are needed in August.
4. Additional business that may need response from the subcommittee.
