

Agenda
New Hampshire Water Sustainability Commission
Public Engagement Working Group

August 13, 2012 – 3:00- 4:45 p.m.
Department of Environmental Services, Room 114 Hazen Drive,
Concord

1. Review and approve notes from July 26, 2012 subcommittee meeting.
2. Review participant notes from 7/9 public session, the draft summary report and finalize report.
3. Review written public comments received and discuss a process for incorporating these that we would like to recommend to the full Commission.
4. Additional business that may need response from the subcommittee.
 - a. Commission Gmail account – when should this account be closed?
5. Determine if additional Public Engagement meetings are needed in August.
6. Any additional business that may need a response from the subcommittee.
