- MERRIMACK RIVER
- PISCATAQUA-COASTAL RIVERS
- SACO RIVER
- UPPER CT and ANDROSCOGGIN RIVERS

Public water and sewer service areas shown on this map are estimates that have been developed and updated in conjunction with local water/sewer works operators. The service areas are not based on actual water/sewer pipe locations but represent a 200 foot buffer along existing roads where service is known to be available. NHDES is not responsible for the use or interpretation of this information. Not intended for legal purposes.
