Immunization Education

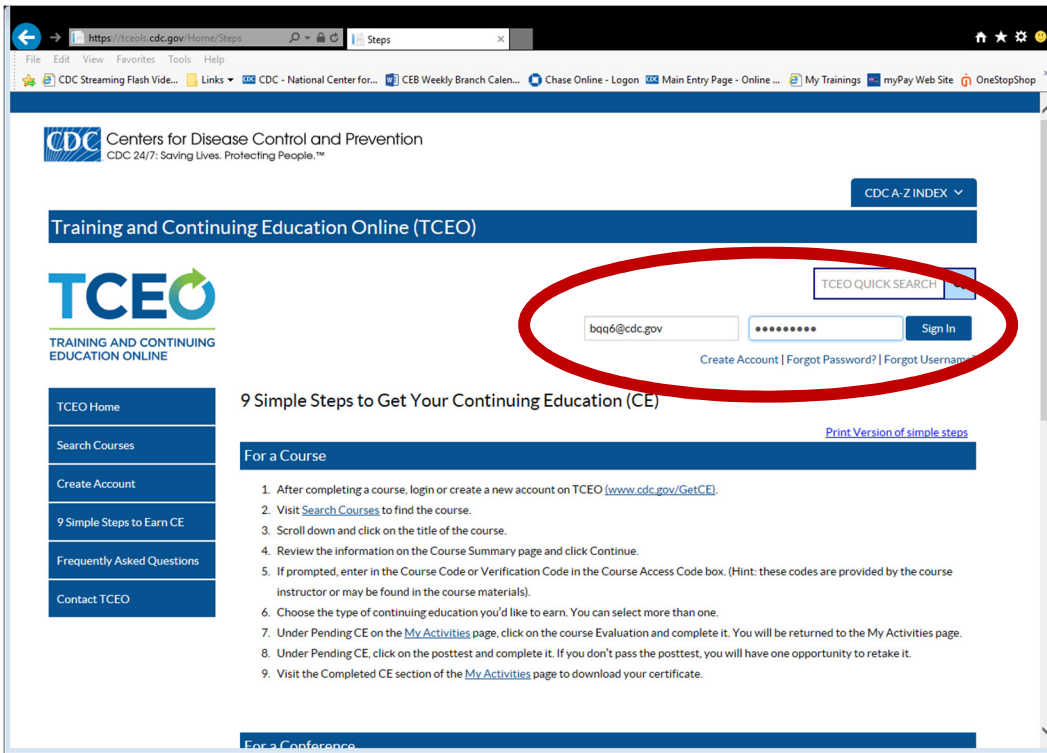

The CDC has free interactive, web-based immunization training called, **You Call The Shots**. These are regularly updated recommendations and guidelines for vaccine practice. The training consists of a series of modules that discuss vaccine-preventable diseases. These modules are:

1. Understanding the Basics: General Best Practice Guidelines on Immunization
2. Diphtheria, Tetanus, and Pertussis (DTaP)
3. Polio
4. Haemophilus Influenza type b (Hib)
5. Influenza
6. Hepatitis A
7. MMR
8. Human Papillomavirus
9. Tetanus, Diphtheria, and Pertussis (Tdap)
10. Vaccine Storage and Handling
11. Hepatitis B
12. Meningococcal
13. Varicella
14. Rotavirus
15. Pneumococcal
16. Vaccine For Children (VFC)
17. Shingles (Herpes Zoster)
18. Vaccine Administration

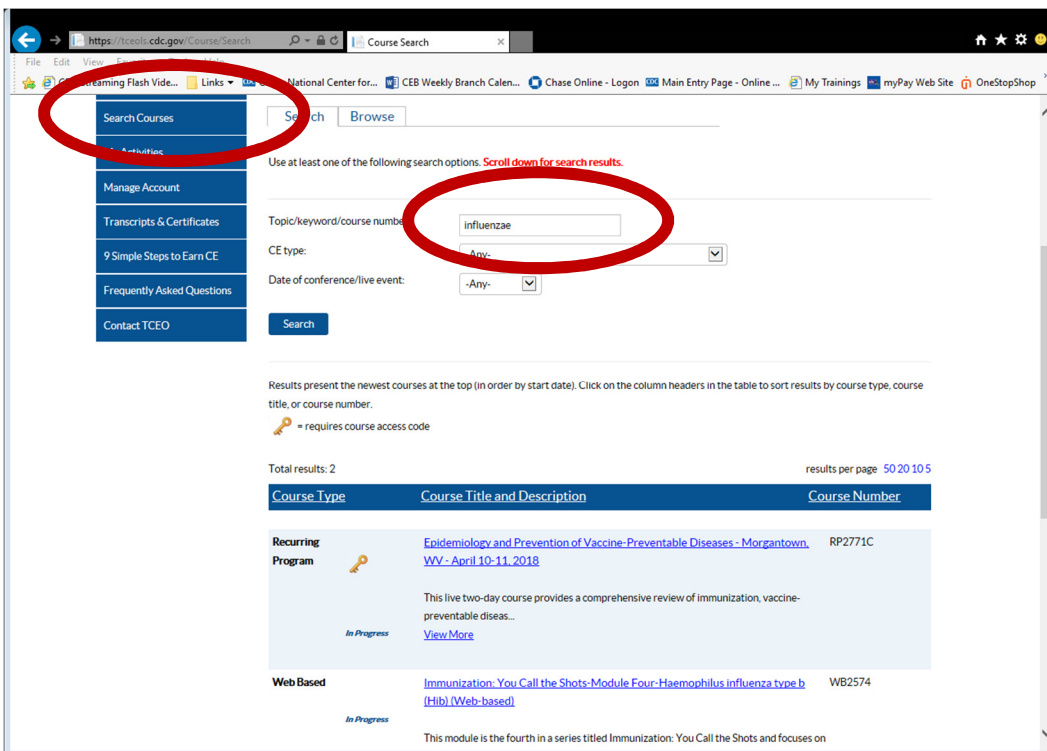

Attached you will find directions from the CDC with a link to their Training and Continuing Education Online (TCEO) page. Place You Call The Shots in the search to find these modules.

NCIRD Continuing Education (CE)—Step-By-Step Guide

1. After completing a course, login or create a new account on TCEO (www.cdc.gov/GetCE).

2. Visit [Search Courses](#) to find the course. You can use keywords or course numbers. Matching courses will be listed below the search fields.

3. Scroll down and click on the title of the course.

The screenshot shows the CDC TCEOL Course Search interface. The search criteria are: Topic/keyword/course number: influenzae; CE type: -Any-; Date of conference/live event: -Any-. The search results table is as follows:

Course Type	Course Title and Description	Course Number
Recurring Program	Epidemiology and Prevention of Vaccine-Preventable Diseases - Morgantown, WV - April 10-11, 2018 This live two-day course provides a comprehensive review of immunization, vaccine-preventable diseases... View More	RP2771C
Web Based	Immunization: You Call the Shots-Module Four-Haemophilus influenza type b (Hib) [Web-based] This module is the fourth in a series titled Immunization: You Call the Shots and focuses on haemoph... View More	WB2574

4. Review the information on the Course Summary page and click Continue.

The screenshot shows the Course Summary page for 'Immunization: You Call the Shots Module Eleven: Hepatitis B (Web-based)'. The course details are:

- Course: WB2144
- UAN #: 0387-0000-18-022-H06-P
- CE Expiration: 02/17/2020, 11:59 PM (ET)
- Available CE: CME, CNE, CEU, CPH, CHES, CPE

The page includes a 'Course Link' button and a 'Continue' button at the bottom, which is circled in red.

5. Some courses, noted with the key symbol, require a Course Access Code. If prompted, enter in the Course Code or Verification Code in the Course Access Code box. (Hint: these codes are provided by the course instructor or may be found in the course materials).

WB2144 - Immunization: You Call the Shots Module Eleven: Hepatitis B (Web-based)

Select CE for Your Course

Select your continuing education type. You may select more than one. Depending on the type of CE you select, you may be prompted to provide additional information.

- 1.750 CME (physicians)
- 1.500 CNE (nurses)
- 0.200 CEU (other professionals)
- 2.000 CPH (public health professionals)
- 1.500 CHES (certified health education specialists)
- 0.150 CPE (pharmacists)

CHES number: 14214

Save and Continue

Information you provided to register for CE for this course may require you to update your account in TCEO. Go to Manage Account to make sure the information is up to date.

7. Under Pending CE on the [My Activities](#) page, click on the course [Evaluation](#) and complete it. You will be returned to the My Activities page. Note—the posttest will be unavailable until after the evaluation is complete.

The screenshot shows the TCEO My Activities page. The course title is "Immunization: You Call the Shots Module Eleven: Hepatitis B (Web-based)" with 1.500 CHES. Below the course title, there are two options: "Evaluation" and "Posttest". The "Evaluation" option is circled in red. The "Posttest" option is marked as "Required. Available after evaluation is complete." The "Evaluation" option is marked as "Required by 2/17/2020".

8. Under Pending CE, the evaluation will be marked as complete. Click on the [posttest](#) and complete it. **If you don't pass the posttest, you will only have one more opportunity to retake it.**

The screenshot shows the TCEO My Activities page after the evaluation is completed. The course title is "Immunization: You Call the Shots Module Eleven: Hepatitis B (Web-based)" with 1.500 CHES. Below the course title, there are two options: "Evaluation" and "Posttest". The "Evaluation" option is circled in red and has a green checkmark next to it, indicating it is "Complete". The "Posttest" option is marked as "Required by 2/17/2020".

9. Visit the Completed CE section of the [My Activities](#) page to see a list of completed courses. Click [Download Certificate](#) to save or print.

The screenshot shows a web browser window with the URL <https://tceols.cdc.gov/Account/PartSvc2>. The page title is "My Activities". The browser's address bar shows several open tabs, including "CDC - National Center for...", "CEB Weekly Branch Calen...", "Chase Online - Logon", "Main Entry Page - Online ...", "My Trainings", "myPay Web Site", and "OneStopShop".

At the top of the page, there are two requirements listed:

- Evaluation: Required by 7/15/2019
- Posttest: Required. Available after evaluation is complete.
