NH Department of Safety
Division of Fire Standards and Training and Emergency Medical Services
Office: 98 Smokey Bear Blvd
Concord, NH 03305

RE: ACS New Hampshire TSC Final Letter 2016

Dear Mr. Bouffard,

On behalf of the Trauma Systems Evaluation and Planning Committee of the American College of Surgeons Committee on Trauma, thank you for your collaboration on the Trauma System Consultation process for the State of New Hampshire that took place on Tuesday February 16, 2016, through Friday February 19, 2016, in Concord, NH.

This consultation and the subsequent ACS recommendations were guided by the standards in *Regional Trauma Systems: Optimal Elements, Integration, and Assessment, Systems Consultation Guide*. The final ACS New Hampshire TSC Report 2016 provides a critical analysis of the current State of New Hampshire Trauma System and includes recommendations for system improvement and enhancement.

An electronic copy of the final ACS New Hampshire TSC Report 2016 is shared with you, along with this ACS New Hampshire TSC Final Letter. Additionally, 10 printed copies of the ACS New Hampshire TSC Report, and 1 printed copy of this TSC Final Letter are also being sent to you via postal mail.

We value the commitment of all your stakeholders to the continual improvement of the New Hampshire Trauma System, and appreciate your leadership towards this effort. It has been a pleasure working with you, and we appreciate your dedication to improving the care of the injured patient. Thank you for your time, and please let us know if you have any additional questions or concerns.

Sincerely,

Maria Alvi, MHA
Manager, Trauma Systems and Quality Programs
